

The Beauty Of It All (written by Douglas Wesley Haines 1986 - ©2011 – All Rights Reserved)

Listen to the pounding in my heart
Listen to the way she makes it start
Listen to the calm that stills the wind
Listen to her comfort me again

Listen to the changes in my mind
Listen to the way she makes me smile
Listen to the tears that never fall
Listen to the beauty of it all

Listen to the love that has no end
Listen to her touch my hand again
Listen to the wonder on the rise
Listen to her soft and gentle sighs

Listen to the changes in my mind
Listen to the way she makes me smile
Listen to the tears that never fall
Listen to the beauty of it all

Listen to the tears that never fall
Listen to the tears that never fall
Listen to the tears that never fall
Listen to the beauty of it all
