

***I WONDER WHAT YOU'D SAY*** (written by Douglas Wesley Haines 1985 ©2011 – All Rights Reserved)

I wonder what you'd say  
if I told that I hardly slept  
at all last night  
That I sat and watched the fading  
of the candle light  
How I tried to find your face  
inside the flame

I wonder what you'd say  
if I told you that I've never  
felt this way before  
I've never been at such a loss  
for things to say before  
How I tremble every time I  
hear your name

I wonder if you know  
I wonder if it shows  
And if you knew I felt this way  
I wonder what you'd say

I wonder what you'd say  
if I told you that your love  
was all I ever need  
if I told you that my love  
was your love endlessly  
I wonder what you'd say

I wonder if you know  
I wonder if it shows  
And if you knew I felt this way  
I wonder what you'd say

I wonder if you know  
I wonder if it shows  
And if you knew I felt this way  
I wonder what you'd say
