

What Did I Do To Deserve You (written by Douglas Wesley Haines 2011 ©2011 – All Rights Reserved)

Every day I wake up
And I look outside my window
And it doesn't really matter if it's cloudy or blue

Cause all I have to do
Is close my eyes and just remember
That every day is sunshine in my heart because of you.

You filled up my empty days
And all I dreamed of yesterday
Is coming true now that I'm here with you
I turned around and there you were
The time before is just a blur
Tell me what I did to deserve you

Whenever I'm away from you
I long for your embrace
The lonely times I used to know are gone without a trace

And I'm wrapped up in this crazy dream dream that is here because of you
I know I'll always love you
That's what I was born to do

You filled up my empty days
And all I dreamed of yesterday
Is coming true now that I'm here with you
I turned around and there you were
The time before is just a blur
Tell me what I did to deserve you
